

**British Isles:** The British Isles series offers the look and feel of a timeworn, natural oil finished floor but with the ease of maintenance of a traditional urethane finished floor. Wide width, long lengths, and inclusions of knots, mineral streaks and filler all add to the beauty of this floor. With a mix of classic and trend setting colors, British Isles blends well with all decors.

### PRODUCT INFORMATION

Construction:	Engineered prefinished hardwood flooring with tongue and grooves
Species:	European White Oak
Grade:	Rustic (includes knots, mineral streaks and filler)
Color Choice:	Refer to Johnson's product sheet
