

Noble Castle: The Noble Castle series was designed to enhance the regal allure of natural hardwood. Extra-wide and long planks provide a lordly appearance suitable for large floor spaces, or to add depth and length to a living space. Wax finish adds to the majesty of this floor, as this was a technique used historically throughout Europe due to its ability to preserve the handsomeness of a floor throughout time. * **This floor requires additional maintenance and cleaning care. For more information and instruction, please contact out Technical Department.**

PRODUCT INFORMATION

Construction:	Engineered prefinished hardwood flooring with tongue and grooves
Species:	European White Oak
Grade:	Rustic (includes knots, splits, mineral streaks and filler)
Color Choice:	Refer to Johnson's product sheet
Wear-Layer Thickness:	Nominal 4.0 mm (Sawn-Cut)
