

Natural Characteristics

6 FT Planks

Multi-Width

- Multi-Width
- Realistic Wood Design
- Ultra Durable
- 100% Waterproof

Sicily – the heart of the Mediterranean Sea. Johnson Hardwood's Sicily Collection reflects the island surrounded by alluring oceans and a rich history with its own diverse twist.

With multiple width planks that reach 6-foot lengths, this Rigid Core floor creates a magnificent visual with hyper-realistic wood images.

The collection is extremely durable as well as completely waterproof, utilizing our WaterShield SPC Rigid Core technology. Backed with our sound control underlayment made of IXPE foam, you'll be sure to enjoy the benefits of cushioning, shock absorption, and sound-proofing. Installation is easy and secure, stable enough to hold and prevent moisture from seeping through by using the Valinge 5Gi's simple click and lock method.
