Hand Honed

- Handscraped
- Long-Lasting Durability
- 11 Step Aluminum Oxide

Our craftsmen have delicately scraped and hand honed this floor to resemble the look of Old English Pubs where friends, family and travelers gathered to relax and converse in a warm and inviting atmosphere. The long 7 foot planks give the look of times gone by. We used a character grade maple to bring out the natural beauty of the wood grain, along with filled splits and knots for more of that old world look.
