Encapsulating the sophistication and style of Europe, Johnson Hardwood's Grand Chateau Series ushers in a clean and simple elegance to any space. Sourcing from European Oak enables both wider and longer planks. While a modern, clean look and feel is obtained by simply relying on the wood grains' natural complexity and aesthetics - in turn complimenting today's on-trend looks. Soft and unembellished taupes and richly detailed natural tans are achieved by mild whitewashing and administering a multi-handstaining process.
