The GRAND CHATEAU Series

European Oak... Ultra-Modern Style and Flare.

Engineered
Hardwood

Encapsulating the sophistication and style of Europe, Johnson Hardwood's Grand Chateau Series ushers in a clean and simple elegance to any space. Sourcing from European Oak enables both wider and longer planks. While a modern, clean look and feel is obtained by simply relying on the wood grains' natural complexity and aesthetics – in turn complementing today's on-trend looks. Soft and unembellished taupes and richly detailed natural tans are achieved by mild whitewashing and administering a multi-hand-staining process. Crafted in random lengths and offered in 12 exquisite shades all evoking a modern simplicity, Johnson Hardwood will have you settling into your space with elegance and poise.
