

INTRODUCING

The SAGA VILLA Series

American Maple... Ultra-Modern Sophistication.

Engineered
Hardwood

The Saga Villa Series features soft-grain American maple skillfully crafted and triple hand-stained to produce unique depth of color to each individual plank. There are nine colors total ranging from chic light browns to trendy taupes that can easily be matched to modern furniture. Each plank is six feet in length, producing a long, fluid look; and, is random sawn, adding character to your flooring. From modern homes to luxury beach houses, the Saga Villa Series is the perfect floor to living in sophistication and style.
