

INTRODUCING

# The COFFEE HOUSE Series

Exceptional Visuals... Phenomenal Value!

WaterShield SPC  
Rigid Core

Embodying the rich and intense colors of roasted coffee, the Coffee House Series showcases eight colors ranging from light and subtle to dark and distinctive. This collection is as beautiful as it is durable, perfectly matching the look of real hardwood with the construction of scratch-resistant waterproof flooring. The Coffee House Series is designed to easily fit the style of any home and able to be installed in just about any room. Like the strong invigorating aroma of fresh brewed coffee in the morning, feel the connection with your home through your floors with the artistry and appeal of Jonson Hardwood's Coffee House Series.
