

HIGH PERFORMANCE FLOORING

OTS-16503 TOM COLLINS

Realistic Wood Details

Registered Embossing (EIR)

Painted Bevel

- Reclaimed Wood Visuals
- Sound Reduction Underlayment
- WaterSeal Technology (4-Side Clic Treatment)

Old world charm comes together with innovative WaterShield Technology for the look of rustic reclaimed wood with incredible durability. The Olde Tavern Series is a high performance floor crafted to withstand topical water, scratches, and stains in all types of settings. With an Abrasion Class 4 rating these planks are sturdy enough for use in light to medium commercial spaces. This collection boasts a wide selection of twelve colors that showcases the natural shade ranges of reclaimed hardwood. Images are crisp and clear, while the textured surface mimics realistic wood grains through registered embossing (EIR). Luxury design complements unparalleled performance in Johnson Hardwood's Olde Tavern Series.
