- Modern Design Aesthetics
- Commercial Space Applications

Johnson Hardwood's Bella Vista Series makes flooring the centerpiece of a beautiful home. This high performance floor is as durable as it is elegant. With a WaterShield High Performance Core and an AC5 rating, this flooring line is resistant to topical water, scratches, and stains and is robust enough for use in light to medium commercial spaces. Registered embossing adds realistic texture into each plank, producing the authentic feel of hardwood floors. Twelve colors varying from light tans to dark taupes encompass the wide range of hues found in natural European Oak. The Bella Vista Series is the ideal combination of sophisticated style and superior strength.
