

AME-CRH19001 SANDSTONE (HICKORY)

Beveled Edge

Wire Brushing

Filled Knots

- Engineered Wood Stability
- Long-Lasting Durability
- UV Cured Aluminum Oxide Finish

Canyon Ridge Series – where breathtaking beauty meets unparalleled sophistication! With its light wire brushed finish and delicate bevel, the UV-cured aluminum oxide finish ensures lasting durability. Each plank boasts timeless colors inspired by nature's palette: Sandstone exudes warmth and elegance, Amber radiates richness and depth, Jasper captivates with earthy allure, Topaz shimmers with golden brilliance, Moonstone enchants with its ethereal charm, and Flint adds a touch of modern sophistication. Hickory wood is renowned for its distinctive grain pattern, which is both visually appealing and functional. Available in wide 7-1/2" planks, Canyon Ridge promises both visual allure and flawless uniformity. Elevate your space with this perfect fusion of strength, style, and sophistication.
