

Texas Timber: Crafter from European oak with a light wire brushed finish. Each plank features a 1.2mm sliced veneer and a UV-cured aluminum oxide finish, showcasing the resilience and strength of the Lone Star State. Bringing a touch of rustic elegance to your home at a friendly price point, Texas Timber combines refined style with a thickness of 3/8" and a width of 7-1/2". The series features 10 colors representing the hues and tones of Texas, with names like Alabaster, Sand, Tawny, and Carob – to name a few. Experience the timeless allure of Texas with every step.
