Beveled Edge

Filled Knots

Handscraped

- Engineered Wood Stability
- European Oak
- Random Length Planks

Engineered hardwood flooring crafted from premium European Oak, the Texas 2.0 Series combines timeless craftsmanship with today's most popular warm wood tones. Featuring a generous 5" wide plank, this collection showcases the authentic grain and natural beauty of European Oak while delivering exceptional durability for everyday living.

Available in three curated colors, the Texas 2.0 Series offers versatile styling for modern farmhouse, contemporary, and traditional interiors. Each color is carefully selected to bring warmth, character, and lasting appeal to any space.

Experience the warmth, elegance, and premium quality of the Texas 2.0 Series, where classic European Oak meets modern design for a floor built to be enjoyed for years to come.
